

Parent Support Group For Parents and Caregivers of Children with Developmental Disabilities

The support group is a resource to help parents deal with the everyday joys and challenges of having a child with developmental disabilities. Parents can expect to exchange ideas about how to cope with the stress of their similar situations, exchange stories about their child and home life, learn new ideas about how to deal emotionally with the situation, and much more!

Time: 3:30-5:00 pm on the first Monday and third Wednesday of the month, through February 2009.

Monday Meetings:

- * Monday, November 3, 2008
- * Monday, December 1, 2008
- * Monday, January 5, 2009
- * Monday, February 2, 2009

Wednesday Meetings:

- * Wednesday, November 19, 2008
- * Wednesday, December 17, 2008
- * Wednesday, January 21, 2009
- * Wednesday, February 18, 2009
